¹ If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by the BDIF. This repayment covers at maximum EUR 100,000 per credit institution. This means that all deposits at the same credit institution are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account containing EUR 80,000 and a current account containing EUR 40,000, he or she will only be repaid EUR 100,000.

² In the case of joint accounts, the limit of EUR 100,000 applies to each depositor. More information can be obtained on the BDIF's website: www.dif.bg
